KB Cores Engine & Transmission

Long Blocks List

All long blocks are subject to KB Cores inspection and demand

Long blocks must be complete with: crankshaft, head(s), camshaft(s), rods, and pistons

There may be deductions for missing valve covers, front covers, and oil pans

All cores must be in rebuildable condition and spin 360 degrees

Long blocks that are junk or are not on list will be bought at a reduced or scrap price

Prices are delivered to KB Cores

Prices and demand are subject to change at any time
